

# Beyond Behavior Autism Center

## Summer Enrichment Program

### Individual and Group Academic Skill Maintenance

#### **Social Skills Development**

At our summer program your child will have the opportunity to engage with peers who have similar interests, learn to be part of a group, engage in games that are accommodated to enhance fun and participation, build tolerance, and even be a helper to others who might take a little longer to learn!

#### **Individual/Group Academic Skill Building and Maintenance**

Our instructors will provide fun and engaging group activities with leveled academic practice and hands on activities, as well as individual instruction in fluency and maintenance of skills they have learned throughout the school year!

**Two 4 week session from June- August!**

**Half and Full Day sessions available!**

Beyond Behavior Summer program is open to children of all abilities, ages 6-13.

### Afternoon Enrichment Programs!
